

PinPoint Solutions: Automotive Practice Area

Reflecting on 2016, Driving Success in 2017

After completing our three year project with a Fortune 500 Tier 1 automotive supplier this year, we continue to collaboratively focus on automotive recruiting within PinPoint Solutions. Our team-oriented approach to recruiting allows us to hone in on each recruiter's functional expertise, providing the highest quality of talent to our clients' openings. Too, we are able to have truly informed discussions with candidates.

As 2016 nearly becomes a year in the rearview mirror, we look forward to the relationships that 2017 will bring. We thank our clients and candidates for supporting us and allowing us to support you. We wish each and every one of you a happy, safe, and healthy holiday season.

Automotive Fills in 2016

As we prepare to end 2016, we would like to share with you some of the roles our automotive team has successfully filled throughout the United States.

- **Operations** - Production Supervisors, Area Managers and Plant Managers
- **Lean / Continuous Improvement** - Specialists and Managers
- **Quality** - Engineers and Managers
- **Finance** - Controllers, Senior Accountants and Financial Analysts
- **Global Strategy**
- **Human Resources** - Generalists, Managers and Business Partner roles
- **Materials / Supply Chain** - Corporate Material Managers, Plant Material Managers, Material Supervisors, and Coordinators
- **Business Analysts**
- **Engineering** - Engineering Managers, Design and Release, Electrical, Manufacturing, Process and Weld Engineers

Our Services

Meet Our Team

We introduce our search professionals dedicated to finding quality talent in the automotive industry.

All of these individuals worked collaboratively on a project supporting a Fortune 500 Tier 1 automotive supplier, successfully filling roles across all functions. With each recruiter specializing in a few functions, we have the combined expertise to support you on any needs you may have within your organization.
